

parkeerverboden en vooraankondigingen

The diagram illustrates two types of road crossings. The top crossing is a 'stop' crossing, indicated by a yellow sign with a red border and the text 'stop'. The bottom crossing is a 'yield' crossing, indicated by a yellow sign with a red border and the text 'voetgangers via oversteek' (pedestrians via crossing). Both crossings feature a red and white striped barrier and a red circular sign with a white arrow pointing down.
